August 7, 2011

Dear Parishioners and Friends:

I want to share some comments of thanks that I received from Archbishop John G. Vlazny following the dedication of our new church.

Dear Father Nilema,

Sunday, July 10<sup>th</sup>, was a truly wonderful day for the church, especially for the people of Our Lady of Victory Parish/St. Peter the Fisherman in Seaside. I thank you so much for hosting the beautiful celebration of the dedication of the new church as well as gracious hospitality at the reception.

Please do accept my sincere congratulations on accomplishing this challenging project of building a new church for the folks in Seaside. You were patient and persevering and God has rewarded your efforts. Please do thank all the people once again who partnered with you in carrying this project to completion. In many ways it represents your great pastoral leadership at Our Lady of Victory Church over the years.

All the best, Brother Nick!

Your Brother in the Lord,

Most Reverend John G. Vlazny
